CAMIE 160 PRODUCT DATA SHEET

Camie 160 Coverall Tan Blockout Enamel allows you to reuse kraft boxes, while maintaining a good appearance. It covers up markings from prior use, mistakes, and non-applicable shipping information. Camie 160 is a quick drying, water and smear resistant enamel coating that covers up all types of markings and resists bleed through. It does not raise the grain of the cardboard and when applied as directed, does not run or sag. It may be stenciled over almost immediately after application.

Applications	Camie 160 Coverall Tan Blockout Enamel is excellent for covering up stenciling and other markings on kraft cartons.
Container Size	16 Fluid Ounce Can
