CAMIE 20/15 PRODUCT DATA SHEET

Camie 20/15 Vinyl and Hard Surface Cleaner is formulated to remove a wide variety of soils, such as finger prints, oils, lipstick, dirt and grime, hair spray, and food spills from all hard (non-porous) surfaces except for bare wood (painted, varnished, or sealed wood is acceptable). Camie 20/15 does not contain ammonia. Its foaming action cleans quickly and efficiently for almost all applications. For more difficult residue, such as adhesive, crayon, paint, certain inks, heavy grease, tar or asphalt, tape or rubber scuff marks, Camie 22/90 or Camie 22/80 are recommended.
