Containers for Screen-Printing Formulas

Camie-Campbell recently unveiled a new look for its cans of screen-printing products that hold adhesives, degreaser, cleaner, and silicon. The company says the new cans are easier to read, bilingual, and ergonomically designed to fit comfortably in a screen printer's hand. The cans slope inward toward the spray nozzle, with the intention of allowing users to hold the cans more comfortably and securely without tiring. Camie-Campbell, Inc., 9225 Watson Industrial Park, St. Louis, MO 63126, 314-968-3222, 800-325-9572, fax: 314-968-0741, Web: www.camie.com.
