Amy Hunniford Joins Camie-Campbell, Inc.
New Southwest Regional Sales Manager In-Training

ST. LOUIS (March 2010)—Camie-Campbell, Inc., an industry leader in the manufacturing of adhesives, lubricants and sealants, announces the hiring of Amy Hunniford as the Southwest Regional Sales Manager In-Training. With more than eight years of experience in sales and business development, Hunniford is well prepared to assume her new role, based in Dallas.

“Amy brings a lot of experience with her and is a critical part of our effort to maintain and secure new ventures for our distributor base,” said Vince Doder, President and CFO of Camie-Campbell. “She has shown great promise in her short time here in regard to customer service and satisfaction, and we are thrilled to have her on our team.”

Hunniford’s responsibilities will include managing and expanding distributor sales of both the Camie and Tom’s Secret Formula product lines, as well as working with private label customers. She will also help maximize operational and financial performance for the company.

Prior to joining Camie-Campbell, Hunniford worked in Business Development and Marketing for Rone Engineers, a provider of geotechnical, construction materials and environmental engineering services in Dallas. Hunniford also has experience as an executive recruiter and a residential sales agent after obtaining her real estate license in 2001.

Hunniford graduated from the University of North Texas with a Bachelor of Arts in Communication Studies. She was a member of Lambda Phi Eta, a Communications Honor Society.

About Camie-Campbell, Inc.

Manufacturing and packaging high quality products for more than 50 years, Camie-Campbell offers spray adhesives, silicone lubricants, cleaners and degreasers. Camie serves a variety of industries including screen-printing, injection molding, furniture, sewing and upholstery, construction and maintenance applications. All Camie-Campbell products are available through an extensive nationwide network of distributors. Camie-Campbell also features specialty formulations and private label products.
