CAMIE 380B PRODUCT DATA SHEET

Camie 380B Screen Printers' Adhesive is specifically designed as a pressure-sensitive pallet adhesive that does not stain, offers quick tack, has low soak-in and will not wrinkle fine materials. Camie 380B remains pressure-sensitive for an extended period of time. It is excellent for making short-term bonds and releasing from the garment.

APPLICATIONS: Camie 380B Screen Printers' Adhesive is truly a pressure sensitive adhesive. Camie 380 provides a temporary bond for light weight materials. See label on back of container for other uses.
